

LAKE • GEORGE WATERKEEPER®

Position Title	Stream Assessment Field Assistant
Host Organization	Lake George Waterkeeper
Sector	Non-profit
Location	Lake George, New York
Length of Position	3 to 4 months (June-September)
Date Posted	February 18, 2009
Application Deadline	April 1, 2009
Compensation	\$10.00/hour

Job Description:

The Lake George Waterkeeper is a program of the Fund for Lake George and defends the natural resources in the Lake George watershed. We are seeking applicants for a summer intern to assist the Stream Assessment Project in the southeastern Adirondacks in upstate New York. The position will require assistance with the collection of aquatic macroinvertebrates, as well as chemical and physical parameters. Data entry and analysis will be required.

Requirements:

- Must be within the last two years of college or have recently graduated with a degree in aquatic ecology, environmental science, hydrology, limnology, biology, or a related field.
- Ability to work in the field under variable weather and temperature conditions, including late nights and early mornings.
- Comfortable wading in streams and collecting macroinvertebrate samples.
- Experience with field equipment and instruments.
- Experience with Microsoft Word and Microsoft Excel.

Application Instructions:

Please submit a cover letter, resume, and a reference list as an attachment via email to dkeppler@lakegeorgewaterkeeper.org by April 1, 2009.
